

N.E.B.O.S.H NATIONAL GENERAL CERTIFICATE (NATIONAL EXAMINATION BOARD IN OCCUPATIONAL SAFETY AND HEALTH)

Introduction:

This course has been developed to provide sound underpinning knowledge to enable non-specialists to effectively carry out their duties or functions in workplace Health & Safety. It is suitable for Managers, Supervisors, and Employee Representatives.

Objective:

Delegates will understand the broad range of issues relating to Health & Safety, including Legal Requirements, Management Methods, Workplace Hazards and Controls, Communications and Consultation.

Programme Synopsis:

- Health & Safety Foundations
- Health & Safety Policy
- Organising for Health & Safety
- Promoting a positive Health & Safety Culture
- Risk Assessment
- Principles of Control
- Movement of People & Vehicles
- Manual and Mechanical Handling Hazards and Control
- Work Equipment Hazards and Control
- Electrical Hazards and Control
- Fire Hazards and Control
- Chemical and Biological Health Hazards and Control
- Incident Investigation, Recording & Reporting
- Monitoring, Review and Auditing
- Practical: Inspection
- Examination

Assessment is via two written exams each of two hours duration. The first paper, A1 is based on Units 1-6 and the second, A2, is based on units 7-14 (with reference to Units 1-6).

The practical inspection exam involves the physical inspection of a workplace and is designed to test a delegate's ability to complete a Health and Safety Assessment and produce a management style report on their findings.

Duration: Ten (10) Days

Course Code: TSCNEBOSH

Certification: N.E.B.O.S.H
